Tablets composition	<i>WATER SOLUBLE PEG COMPOUNDS, COSMETIC PIGMENTS, FILLERS.</i> NO ingredients of animal origin. Do NOT contain any substance wich increase the grip on skin. NO addition of Paraffins.
Available colours	<i>Metallic Colours: GOLD, SILVER, METALLIC BLACK, METALLIC WHITE, BRONZE, METAL VIOLET</i>
Available packaging	6 tablets box of 5 ml, 1 brush, 1 sponge, a detailed step by step manual.
Field of application	School, preschool, hobby, leisure. Applicable to human skin.
General attributes	Used for large areas and fine lines. High colour intensity, long lasting in usage. Easy application and removal. Can be washed out of most textiles. The package include brush and sponge. The single colours correspond with the colour shades of the Giotto Make Up Pencil Sets and can be combined together. The colours can be blended and new colour shade can be made.

<p><i>Application and removing instructions</i></p>	<p>The skin should be clean and greaseless for an ideal application. For base coating and large areas use a wet sponge, for fine lines and small decorations use the brush. Apply light colours first then darker colours. Colours are water soluble so small errors can easily be corrected using water. You can remove the painting with warm water and some soap.</p>
<p><i>Lifetime</i></p>	<p>3 years if stored in normal condition 1 year after opening</p>
<p><i>Regulatory compliance</i></p>	<p>Quality product manufactured in compliance with "Good Manufacturing Practice" governing the manufacture of cosmetic products. All used components comply with European legislation on cosmetics. EN71-1,2,3 compliant. REACH Regulation compliant.</p>
<p><i>Toxicological information</i></p>	<p>Dermatologically tested</p>
<p><i>Environmental certifications</i></p>	<p>None</p>
