

Product information regarding SDS (Safety Data Sheet)

for

Pentel Correction Tape + Refills

Thank you for your inquiry concerning a Safety Data Sheet and your interest in our products. Safety Data Sheets (SDS) are mandatory for substances and preparations, subject to the appropriate European regulations*, and will be provided to you, where applicable.

For Pentel Correction Tapes and its refills a Safety Data Sheet is not necessary. These products are not regarded as substances or preparations as of relating EC regulations. Those products are regarded as finished articles and not into the scope of Safety Data Sheets.

Pentel products are respecting national and international rules and regulations at any time.
